

AFRICA RESTAURANT

(Full menu can be downloaded here)

OUR PHILOSOPHIE,

We are using local ingredients where ever possible, reducing food miles and promoting local producers and African culinary flavours (Seafood is better in Walvis, Swakopmund and Luderitz, and Pizzas are better in Windhoek, eat local when you can and make it part of your journey).

Both our restaurant and breakfast uses local ingredients

Breakfast area

A choice of Juices, Jams and Muesli based on traditional local ingredients is available. Of course normal continental and English breakfast can also be provided.
